

PRESQUE ISLE DOWNS TO ADD 8 DAYS OF RACING

August 27, 2021

- We're pleased to announce that 8 live racing days will be added to the Presque Isle Downs schedule. This is due to purse revenues having exceeded projections in 2021.
- Presque Isle Downs had been set to run through Thursday, October 7th. These additional 8 days will be run Monday through Thursday those following two weeks. Therefore, the Presque Isle Downs meet will now conclude on Thursday, October 21st.
- We respectfully ask that trainers depart the Presque Isle Downs backstretch as quickly as possible after October 21st. This is to allow for necessary barn maintenance in preparation for the colder weather.

Thank you,
