Rules and Conditions for Racing and Training (“Conditions”)

As a condition to, and in consideration for the undersigned trainer (“Trainer”) being permitted to race, work, or train any horse at a Churchill Downs Incorporated (“CDI”) Property, including Presque Isle Downs (“PID”), the Trainer and the undersigned Trainer’s attending veterinarian (“Attending Veterinarian”) hereby agree to be bound by the following Conditions:

1. At all times, a horse must be in serviceable, sound racing condition in order to race, work or train at PID. The Trainer acknowledges that it is his/her obligation to confirm the horse is in serviceable, sound racing condition in order to race, work or train on PID Grounds. Any horse that has not raced within 30 months since its last start shall be presumed unsound to race, work, or train at PID unless approved in advance by the CDI Equine Medical Director. Any horse treated with extracorporeal shockwave therapy, radial pulse therapy, or similar treatments shall not race or work for a minimum of thirty (30) days following such treatment.

2. Trainer will not enter in any race a horse that is a four-year old or older first time starter or a previously raced horse that has not raced in the 365 days preceding the date of the selected race UNLESS horse has completed an official work for the Pennsylvania State Horse Racing Commission (“Pennsylvania SHRC”) prior to entry. Horses of 8 years of age or older as well as horses that have not raced within the one hundred fifty (150) days but have raced within the three hundred sixty-five (365) days preceding the date of the selected race must have an examination performed by Trainer’s Attending Veterinarian to the satisfaction of the CDI Equine Medical Director prior to entry. Based upon that examination, the CDI Equine Medical Director may require the horse to work prior to being allowed to enter. If the horse is required to work it must meet the same requirements as a horse that is working off of the Pennsylvania SHRC’s Veterinarian’s List.

3. Any horse that finishes more than twelve (12) lengths behind the winner in their last five (5) consecutive starts, after February 28, 2022, will be ineligible to start in a race at PID. Horses deemed ineligible under this rule may reestablish eligibility in another jurisdiction. Due to mitigating circumstances the owner or trainer of a horse deemed ineligible under this rule may be given one additional start to restore eligibility by appealing the ruling to the PID Racing Panel. All appeals must be requested and approved prior to entry. For the purposes of this rule, the Racing Panel shall be the Racing Secretary, a representative of the Horsemen’s Group, the presiding State Steward and State Veterinarian. Horses granted eligibility under the appeal process will have one start to reestablish eligibility. This rule shall not prohibit the racing association from exercising its right to refuse the entry of any horse that the racing association deems uncompetitive and or unfit for racing

4. Under no circumstances shall an examination conducted by a veterinarian who has NOT been identified as the Trainer’s Attending Veterinarian in compliance with these Conditions constitute a valid examination for purposes of determining a horse’s fitness to race, work or train.

5. PID and the CDI Equine Medical Director are entitled (but not obligated) to contact, without prior notice, Trainer’s Attending Veterinarian to confirm that examinations have been conducted pursuant to these Conditions and that any such examination meets PID’s requirements. PID and the

CDI Equine Medical Director shall have the right (but not the obligation) to examine and review all records of examinations performed in accordance with these Conditions, and Trainer agrees that PID or the CDI Equine Medical Director may inspect and copy for each’s own use, and Trainer shall provide upon request, all documents, electronic or otherwise, containing reports by official racing veterinarians of pre-race examinations, post-race examinations (including without limitation necropsy reports) and/or any records of procedures required by regulatory agencies or under applicable industry safety accreditation organizations of Trainer’s horse(s) racing or training at PID.

6. All horses stabled or entered to race at PID, or that are on PID Grounds are subject to: (a) veterinary inspections and requests for veterinary medical records by the CDI Equine Medical Director, or his/her designee and (b) veterinary monitoring. Trainer, Trainer’s staff, and Attending Veterinarians will cooperate fully with all requests made by CDI veterinarians and PID Staff.

7. As used herein, the term “Attending Veterinarian” shall include the undersigned veterinarian and any veterinarian who is a member of his/her veterinary practice.

8. If stabled on PID Grounds, both Trainer and the Attending Veterinarian will abide by all rules and regulations of PID, including, without limitation, House Rules (including those relating to TCO2 or “Milkshake” testing, and all medication and integrity rules), or other rules (including, without limitation, all rules set forth in PID’s Condition Book, Stall Application, the Rules of the Barn Area, and the Rules of the Track), all of which are hereby expressly incorporated by reference herein. Trainer and Attending Veterinarian shall be responsible for obtaining and becoming familiar with such rules and regulations.

9. All Pennsylvania SHRC licensees, including but not limited to PID owners, trainers, jockeys, and grooms (“licensees”), participating in stabling, racing, training, and related activities at PID recognize that hazards and risks inherent in such activities may cause the injury or death of horses. Therefore, in consideration of participating in stabling, racing, training, and related activities at CDI properties, all licensees assume the risks of, and release, hold harmless and covenant not to sue all other licensees so participating for: (i) Ordinary negligence which causes or contributes to loss, loss of use, injury or damage to horses while on the premises of aforementioned CDI properties; and (ii) Ordinary negligence which causes or contributes to personal injury or property damage, including but not limited to loss, loss of use, injury or damage to horses arising from the use of grass fields or gallops owned or controlled by CDI properties, whether arising from alleged acts or omissions of a licensee and its agents or employees, the condition of the premises of aforementioned CDI properties or any other cause. Except as provided above, all licensees participating in racing, training, and related activities at CDI properties shall be responsible for their own acts and omissions and those of their agents and employees to the same extent as provided by law. The foregoing provisions shall be construed in a manner consistent with the limitations set forth herein to be as broad and inclusive as permitted by the laws of the State of Pennsylvania and the Pennsylvania SHRC’s regulations and shall be binding upon Trainer, its successors and/or assignees. The maintenance by PID of insurance shall not affect the terms or interpretation

of this Agreement. For purposes of this Agreement, PID shall mean and include each's officers, directors, agents, employees, contractors, servants and licensees. In the event of any inconsistency between these provisions and the Pennsylvania SHRC's regulations, the Pennsylvania SHRC's regulations shall control. Further, these provisions shall be deemed to be amended to the extent of, and to be in compliance with, any amendment to the Pennsylvania SHRC's regulations.

Both Trainer and Attending Veterinarian will abide by all rules and regulations of the Pennsylvania SHRC, at any time expressly incorporated by reference herein, and the rules and regulations of the Pennsylvania SHRC, at any time adopted or as they may be amended (collectively, "SHRC Regulations"). Trainer and Attending Veterinarian shall be responsible for obtaining and becoming familiar with such rules and regulations.

11. Any failure by PID to enforce any terms or conditions of this Agreement shall not constitute a waiver by PID, and shall not affect or impair this Agreement in any way, or the right of CDI at any time to enforce this Agreement.

12. PID's approval or consent to any action proposed by Trainer or Attending Veterinarian shall not affect Trainer or Attending Veterinarian's obligation to strictly comply with this Agreement.

13. Both Trainer and the Attending Veterinarian understand and acknowledge that these Conditions shall be in effect annually commencing on the date of the opening of the PID stable area prior to the PID Race Meet (or any successor meet therefor) each year and continuing through the conclusion of the stabling period following the PID Race Meet (or any successor meet therefor). For Trainers that have horse(s) on PID Grounds, these Conditions shall be in effect from earliest date noted above and for so long as Trainer has horse(s) on PID Grounds.
