

Quarterly Bonus Pool – Penn National gate crew

January 31, 2025

The Pennsylvania HBPA Board of Directors have developed a Quarterly Bonus Pool (QBP) concept for increased compensation for the gate crew at Penn National. The Board is confident the implementation of the concept will enable racing to be conducted without interruption moving forward.

The Quarterly Bonus Pool will be initiated with the return of racing on February 6th. Every starter at Penn National on February 6th and thereafter will be assessed a \$10 gate fee. This gate fee will be the funding source for the QBP. Effective February 6th the payback for those horses finishing beyond 5th place will be increased from the current \$200 to \$250.

Sincerely,

Todd Mostoller
Executive Director, Pennsylvania HBPA
